Easy EVM

Executive Overview

Outline

This executive overview is designed to provide senior managers with an understanding of Earned Value Management (EVM) and the opportunities for enhanced project visibility and control created by using EVM as a core element in an organization's project controls system.

Target audience, senior managers and executives tasked with evaluating EVM, and/or overseeing the introduction of EVM into their organization.

Delivery

Virtual: A 1 hour presentation and facilitated discussion via MS Teams or Zoom. Virtual delivery is available world-wide.

Face-to-Face: A 1 to 2 hour presentation conducted in-house. If required, additional time can be allowed during the presentation for facilitated discussion focused on the specific needs of the organization. Face-to-face delivery is available in Australia and New Zealand.

- Summary and close.

Inclusions

All attendees will receive a free copy of:

Easy EVM - Implementing Earned Value Management using ISO 21508:2018.

Easy EVM is a self-paced course-in-a-book, supported by Mosaic Project Services Pty Ltd. The purpose of this 'course-in-a-book' is to provide practical guidance to people, and organizations, involved in either implementing an earned value management system, or using information created by an earned value management system. It provides guidance on concepts, responsibilities, integration, and processes, for the implementation and use of earned value management based on ISO 21508: *Earned Value Management in Project and Programme Management*. The book is divided into five sections, each section includes guidance on an aspect of EVM, references, and a set of 20 questions; with the answers in Section 6.

Open the Book2Look preview to see the full table of contents, sample pages, and sample questions & answers. The free preview is available at: <https://www.book2look.com/book/vwFQYiaJkd>
