

# Chartered Institute of Building

**CIOB**

**CELEBRATING  
190 YEARS  
1834-2024**

# Visit the CIOB table in Exhibition Area

## What we are here:

The Chartered Institute of Building's objectives are closely aligned with PC Expo's

CIOB stands for the science, ethics and practice of built environments across the world

Everything we do is to improve the quality of life for those using and creating the built environment

Effective project controls are one of the keys to success in the construction industries

CELEBRATING 190 YEARS

# Visit the CIOB table in Exhibition Area

## What we do:

Improve the quality of life for the users  
and creators of our built environment

---

Drive up professional standards

---

Push forward innovation

---

Influence political decisions

---

Strengthen the talent pool across  
the industry

---

CELEBRATING 190 YEARS

# Visit the CIOB table in Exhibition Area

## Our members change the world as we know it

Most diverse membership of any professional body in the built environment

---

Members work in disciplines that cover the entire lifecycle of a built asset

---

We welcome applications from all types of built environment professionals from surveyors to conservationists, engineers to HR specialists, designers to lecturers

---
