EXPO AUS PLATINUM PARTNER

Hexagon is a global leader in digital reality solutions, combining sensor, software and autonomous technologies. We are putting data to work to boost efficiency, productivity, quality and safety across industrial, manufacturing, infrastructure, public sector, and mobility applications.

EcoSys™, Hexagon's project lifecycle management platform, provides the ultimate solution for high levels of project and portfolio performance across the enterprise. Within a single integrated solution, EcoSys offers enterprise wide visibility and accountability into the utilization of financial and human resources, alignment to organizational strategy, cutting edge performance measurement and forecasting, and effective communication and resolution of changes, risks, and issues. EcoSys delivers both professional and personal confidence that you are leveraging the best intelligence, making the best decisions, and maximizing the performance of your entire project ecosystem.

A graphic advertisement for EcoSys. It features a dark blue background with a large, stylized white arrow pointing right. The arrow contains a photograph of a construction site with cranes and a building under construction. Below the arrow, there is a smaller photograph of an industrial facility with large storage tanks. The text "Unlock your data to improve your project performance with EcoSys" is written in white and green. Below this, it says "Visit ecosys.net". The Hexagon logo is in the bottom left corner of the graphic.

InEight provides field-tested project management software for the owners, contractors, engineers and architects who are building the world around us. Over 400,000 users and more than 850 customers worldwide rely on InEight for real-time insights that help manage risk and keep projects on schedule and under budget across the entire life cycle. From pre-planning to design, from estimating to scheduling, and from field execution to turnover, InEight has powered more than \$400 billion in projects globally across infrastructure, public sector, energy and power, oil, gas and chemical, mining, and commercial. For more information, follow InEight on LinkedIn or visit InEight.com

A graphic for InEight's "Sharing Knowledge" campaign. It features the InEight logo at the top left. Below it, the text "The Evolution of" is followed by "SHARING KNOWLEDGE" in large, bold, red capital letters. To the right of the text is a large, stylized number "1" composed of a network of grey lines and nodes, resembling a data visualization or a project network. At the bottom, there is a red horizontal bar with the text "TRANSFORMING THE WAY THE WORLD BUILDS" in white, and "Software for Capital Projects" below it. At the very bottom, a dark red bar contains the text "Learn more at InEight.com/Sharing-Knowledge".
